[Agreement Date]

Enhanced Parking Service Agreement

Attention: <SHIPPER REPRESENTATIVE>

This Enhanced Parking Service Agreement (“**Agreement**”) incorporates all of the terms and conditions of the Interruptible Service Hub Contract (**HUB**) (the “**Contract**”) between Enbridge Gas Inc. (“**Enbridge**”) and <SHIPPER NAME> (“**Shipper**”). All terms and conditions contained in the Contract, and any Schedules referenced by the Contract as amended from time to time, shall apply to this Agreement, unless specifically set forth herein. During the term of this Agreement, the Contract may not be terminated by Shipper or Enbridge, except as defined in the Default and Termination section of the applicable General Terms and Conditions. In the event of any conflict or inconsistency between the terms and conditions of the Contract and those of this Agreement, the terms and conditions of this Agreement shall supersede and take precedence over the Contract.

1. Enbridge shall provide Shipper an Enhanced Parking Service (“**Service**”) at <POINT>, for the period of <START DATE> to <EXPIRY DATE>, for a quantity of _____ GJ (_____ MMBtu) (the “**Maximum Park Balance**”).
2. Shipper agrees that the balance of the Storage Account must be zero (0) on <DATE>.
3. **Maximum Daily Injection Demand:**
Shipper shall deliver to Enbridge and Enbridge shall accept on a firm basis, the Maximum Park Balance in the following manner: for the period of <DATE> to <DATE>, inclusive, each and every day, a quantity of _____ GJ/day (_____ MMBtu/day), and for the day of <DATE (last day)>, a quantity of _____ GJ/day (_____ MMBtu/day) (each daily quantity referred to as the “**Daily Injection Quantity**”).

In the event that Shipper delivers more, or less, than the Daily Injection Quantity to Enbridge as specified above, Shipper agrees to pay \$3.000000/GJ (\$3.1651680/MMBtu) multiplied by the difference between the Daily Injection Quantity and the actual quantity of gas delivered by Shipper (the “**Injection Difference**”). Enbridge may choose to shed, or replace, such Injection Difference and Shipper agrees to pay Enbridge’s costs to shed, or replace, such gas, plus an additional 25% of such costs. If Enbridge chooses not to shed, or replace such Injection Difference, Shipper agrees to pay \$0.1500000/GJ (\$0.1582584/MMBtu) multiplied by the Injection Difference for each day that the Injection Difference or any portion thereof, exists. Enbridge retains the right to shed, or replace the Injection Difference at any time that the Injection Difference, or any portion thereof, remains. Upon notice of failure to deliver the Daily Injection Quantity to Enbridge as specified above, Enbridge may terminate this Service.

4. **Maximum Daily Withdrawal Demand:**
Enbridge shall deliver to Shipper and Shipper shall accept on a firm basis, the Maximum Park Balance in the following manner: for the period of <DATE> to <DATE>, inclusive, each and

every day, a quantity of _____ GJ/day (_____ MMBtu/day), and for the day of <DATE (last day)>, a quantity of _____ GJ/day (_____ MMBtu/day) (each daily quantity referred to as the “Daily Withdrawal Quantity”).

In the event that Shipper accepts a delivery of more, or less, than the Daily Withdrawal Quantity from Enbridge as specified above, Shipper agrees to pay \$3.000000/GJ (\$3.1651680/MMBtu) multiplied by the difference between the Daily Withdrawal Quantity and the actual quantity accepted by Shipper (the “Withdrawal Difference”). Enbridge may choose to shed, or replace, such Withdrawal Difference and Shipper agrees to pay Enbridge’s costs to shed, or replace, such gas, plus an additional 25% of such costs. If Enbridge chooses not to shed, or replace such Withdrawal Difference, Shipper agrees to pay \$0.150000/GJ (\$0.1582584/MMBtu) multiplied by the Withdrawal Difference for each day that the Withdrawal Difference, or any portion thereof, exists. Upon notice of failure to deliver the Daily Withdrawal Quantity to Enbridge as specified above, Enbridge may terminate this Service.

5. Should Shipper fail to comply with the requirement set out in Section 2 herein, any balance remaining shall be removed immediately from this Agreement and transferred to Shipper's Balancing Account under the Contract, and will be subject to the associated charges required to complete the transfer. The quantities will automatically be deemed to be in an Extension Period under Section 2.01 C (iii) of the Contract and shall be subject to the rates and terms of an Extension Period as set out in Schedule 2 of the Contract and the provisions of Section 2.01 C (iii) of the Contract.
6. Shipper agrees to pay Enbridge for this Service, a demand charge of \$ _____ <CURRENCY>, which shall be invoiced in <number (#)> equal monthly instalment(s) of \$ _____ <CURRENCY> for the months of <MONTH, YEAR> to <MONTH, YEAR> inclusive.
7. This Agreement will take effect immediately.

All quantities will be converted to GJ for billing purposes. Conversion: 1 MMBtu = 1.055056 GJ. Unless otherwise stated, all dollars are Canadian dollars.

This Agreement may be signed and sent by facsimile or other electronic communication and this procedure shall be as effective as signing and delivering an original copy.

Please acknowledge your agreement to all of the above terms and conditions by signing and sending this Agreement to Enbridge Gas Inc. at fax: (519) 436-4694 or email storage.transportation@Enbridge.com with a copy to <EMAIL ADDRESS OF ACCOUNT MANAGER> or mail to **Enbridge Gas Inc., 50 Keil Drive North, P.O. Box 2001, Chatham, ON, N7M 5M1, Attention: S&T Contracting.**

Yours very truly,

Account Manager, Enbridge Gas Inc.
