

NOTICE OF A HEARING

Enbridge Gas Inc. has applied for approval of a natural gas franchise agreement with and for a certificate of public convenience and necessity for the Township of Ryerson

The Burk's Falls community expansion project was selected to receive financial assistance through the Natural Gas Expansion Program (NGEP), which was created to expand access to natural gas in parts of Ontario that do not have access to natural gas distribution services.

Enbridge Gas has received requests for service attachments from residences in the Township of Ryerson, which is adjacent to the Village of Burk's Falls.

Enbridge Gas Inc. (Enbridge Gas) is asking the OEB for:

- **An order approving a natural gas franchise agreement with the Township of Ryerson.** This would grant Enbridge Gas the right to construct, operate and add to the natural gas distribution system and to distribute, store and transmit natural gas within the Township of Ryerson for the next 20 years.
- **An order directing that the acceptance of the municipal electors of the Township of Ryerson is not required in relation to the by-law approving the natural gas franchise agreement.**
- **An order granting a new certificate of public convenience and necessity to Enbridge Gas to construct works to supply gas in the Township of Ryerson. Approval of the order would expand Enbridge Gas's system to the Township of Ryerson.**
