

Enbridge Gas Inc. has applied for approval to construct approximately 4.5 kilometres of natural gas pipeline and ancillary facilities in the City of Toronto.

Learn more. Have your say.

If the application is approved as filed, Enbridge Gas Inc. will replace approximately 4.3 kilometres of a 20-inch diameter pipeline along Lake Shore Boulevard from Cherry Street to Bathurst Street, and approximately 230 metres of a 20-inch diameter pipeline on Parliament Street from Mill Street to Lake Shore Boulevard East.

A map showing the location of the proposed pipeline is below.

Enbridge Gas Inc. is also asking the Ontario Energy Board to approve the form of agreement it offers to landowners to use their land for routing or construction of the proposed pipeline.

Enbridge Gas Inc. says that the project is needed to ensure the safe and reliable delivery of natural gas to its customers in the City of Toronto.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Enbridge Gas. During the hearing, we will question Enbridge Gas on the case. We will also hear questions and arguments from individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Enbridge Gas' compliance with the OEB's Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

The OEB will also assess whether the duty to consult with Indigenous Communities potentially affected by the proposed pipeline has been discharged with respect to the application.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
