

NOTICE OF A HEARING

Enbridge Gas Inc. has applied to renew its natural gas franchise agreement with and for a new certificate of public convenience and necessity for the Town of Tillsonburg

Enbridge Gas Inc. (Enbridge Gas) is asking the Ontario Energy Board (OEB) for:

- **An order approving the renewal of a natural gas franchise agreement with the Town of Tillsonburg.** This would continue Enbridge Gas's right to construct, operate and add to the natural gas distribution system and to distribute, store and transmit natural gas within the Town of Tillsonburg for the next 20 years.
- **An order directing that the acceptance of the municipal electors of the Town of Tillsonburg is not required in relation to the by-law approving the natural gas franchise agreement.**
- **An order cancelling Enbridge Gas's existing certificate of public convenience and necessity (certificate) for the Town of Tillsonburg and replacing it with a new certificate to construct works to supply natural gas in the current Town of Tillsonburg.** The new certificate is needed to address municipal boundary changes associated with past municipal amalgamations and annexations.
