

Enbridge Gas Inc. has applied to renew its natural gas franchise agreement with a new certificate of public convenience and necessity for the City of Guelph

Enbridge Gas Inc. (Enbridge Gas) is asking the Ontario Energy Board (OEB) for:

- **An order approving the renewal of a natural gas franchise agreement with the City of Guelph.** This would continue Enbridge Gas's right to construct, operate and add to the natural gas distribution system and to distribute, store and transmit natural gas within the City of Guelph for the next 20 years.
- **An order cancelling Enbridge Gas's existing certificate of public convenience and necessity (certificate) for the City of Guelph and replacing it with a new certificate to construct works to supply natural gas in the current City of Guelph.** The new certificate is needed to address municipal boundary changes associated with past municipal annexations.
