 Title: **Proposed Cherry Valley Community Expansion Project**

**DRAFT**

**Disclaimers:**

1. The proposed route has been developed for purposes of an assessment of potential environmental and socioeconomic impacts and does not represent the final Project scope / design that will provide access to natural gas to end-use customers.
2. The Project may also involve the building of a new distribution station, the location of which is still to be determined. The proposed distribution station is not shown on the figure but will occur somewhere within the Study Area.
