There are **families in your community who will go to bed cold** this winter

This is why Enbridge Gas sponsors **The Salvation Army Heat Care Fund**, a financial assistance program that helps people pay their heating bills – regardless of the type of fuel they use. Enbridge Gas and its customers have raised over four million dollars for Salvation Army's Heat Care Fund since 1982. Please join us in this great community effort.

How does the Heat Care Fund work?

All the money contributed to the Heat Care Fund is administered solely by The Salvation Army. Funds are distributed by local Salvation Army agencies to qualifying residents living in the Enbridge Gas service territory.

How do I contribute?

Simply fill out the form on the back of this brochure and return it with your payment. If you choose to make an ongoing donation, your next Enbridge Gas bill will show the amount you plan to donate each month, and that amount will be added to your future bills.

All donations are tax deductible.

**Need help
paying your heating bill?**

Qualified income-eligible, disabled and elderly individuals can apply for funds at **Salvation Army** agencies across our natural gas service territory.
