

Standard Choice Offer (SCO) Historical Rates

Take a look at Enbridge Gas Ohio's monthly summary of historical gas costs below. Rates are stated per thousand cubic feet (Mcf) of natural gas.

To view a graph of SCO rates for recent years, please go to [Historical SCO Rates](#) on the PUCO's website.

For customers eligible for the SCO rate:

Take a look at the PUCO's [Apples-to-Apples](#) comparison chart. It lists the current Standard Choice Offer (SCO) rate, a current rate sheet, and an archive of historical SCO rates.
