

# 2025 ThermWise® Weatherization Rebates (Wyoming) Residential Windows U-Factor ≤ 0.22 (Multi-Family) Application

Promotion Dates: 01/01/2025 - 12/31/2025 (HOME, APT, CONDO, TNHS: 4+ CONNECTED UNITS)

Rebate request must be postmarked within 6 months of the installation date to be eligible.

## Application Instructions and Checklist (See Submission Options Below)

For assistance or questions about any part of this application, contact ThermWise Rebates using the contact information found in the gray box.

- 1. Purchase and install a qualified measure in an **existing dwelling** where there is an active meter using Enbridge Gas services.
- 2. Review Terms and Conditions on page 3 of this application and sign the Acceptance of Terms at the bottom of this page.
- 3. Email or mail this completed and signed application with the following supporting documents to the address on right.
  - A copy of your most recent Enbridge Gas bill. (Units must have gas heating on GS rate schedule to qualify.)
  - A clear legible copy of your **itemized** receipt/invoice that shows **retailer/contractor name, address, phone number, purchase and/or install date, description, manufacturer, model, quantity installed, window dimensions, U-Factor, purchase price and proof of payment.**
  - The original or copy of the NFRC (National Fenestration Rating Council) sticker from each installed window.
    - Please write the row number from the windows worksheet on page 2, next to the corresponding NFRC sticker you provide and also next to the line item on your itemized invoice for each window listed.
  - Copy of completed IRS Form W-9 (<https://www.irs.gov/pub/irs-pdf/fw9.pdf>).
- 4. **Important:** Photocopy your entire submission for your records.

## Important!

- Dimensions of each installed window and original or copy of NFRC (National Fenestration Rating Council) sticker from each window must be submitted with application. **(Please label each NFRC sticker and supporting information with the corresponding line number it pertains to on this application.)**
- High Performance Insulating Windows Rebate:** \$2.50 per sq. ft., U-Factor less than or equal to 0.22.
- Installation must be between a heated and an unconditioned space.
- Windows with a U-Factor greater than 0.22 do **NOT** qualify for a rebate.
- U-Factor** | Rate of heat loss through the window assembly, including the frame and glass.
- The Meter ID number for each upgraded unit is required for processing. It's important to match each unit with the associated meter.
- Meter ID number can be found on your Enbridge Gas bill or on the physical meter. Some Meter ID numbers may correspond with multiple units.

**Window Calculation Information (please print clearly)** ——— For assistance with this section, consult your installation Contractor! ———

**\*Installed Square Footage of Window:** Window width inches times (x) height inches equals (=) number of square inches, divide (÷) number of square inches by 144 (inches per square foot) equals (=) the number of Square feet per window. Find the square feet of each installed window per unit and enter that amount in the "Installed Sq. Ft of Windows" field below.

<b>Attach additional application worksheets if necessary.</b>				<b>Total Expected Rebate:</b>					

**Rebate Availability.** The Enbridge Gas® ThermWise® rebate programs have been approved by the Public Service Commission of Wyoming. All rebates subject to change with 30 days notice. All equipment/supplies (measure) must be new and purchased and installed prior to submitting a rebate application. **Measures must have been purchased and installed on or after January 1, 2025.** Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

**Rebate Eligibility.** It is the responsibility of the applicant to send the completed rebate application along with copies of the required proofs of purchase (receipt, invoice, etc.). Only one rebate will be paid per installation. Proof of purchase and installation receipts are required for each measure qualifying for a rebate. Measures must be purchased and installed before home's original occupancy date. Measures installed as part of the home's original construction (New Construction) are only eligible for rebates under the Builder Rebates Program. Allow approximately six weeks from receipt of completed applications, including all purchase receipts, for rebate processing. Completed form and all required documentation must be received within six months of purchase/installation.

**Rebate Qualification.** If a measure is returned after rebate is paid, Enbridge Gas will be reimbursed the rebate with penalty including associated legal and/or collection related costs. Qualifying rebate measures may be found online at ThermWise.com. Measures must be installed within the Enbridge Gas Wyoming service area. Customers in Enbridge Gas's Utah/Idaho service area may be eligible for Utah specific measure rebates. Visit ThermWise.com for details regarding the Utah ThermWise Program.

**Application Details.** All applications are subject to verification by Enbridge Gas. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Enbridge Gas issues rebates in the form of checks, not utility bill credits. Enbridge Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Enbridge Gas will not pay rebates for equipment that is mislabeled or misrepresented by dealers regarding rebate qualifications. Customers receiving rebates under one ThermWise program may not receive rebates for the same equipment under any other ThermWise program.

The customer hereby transfers to Enbridge Gas all "Environmental Attributes" attributable to the qualifying measure or its operation. Environmental Attributes means those aspects, claims, characteristics and benefits of avoided energy use associated with the measure. Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or tax credits associated with the measure.

**Rebate Limitations and Limitation of Damages.** Payment of the rebate by Enbridge Gas does not warrant the performance of qualifying/installed measures and does not warrant that the qualifying/installed measure will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying measure. Neither Enbridge Gas, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or processes disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Enbridge Gas, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

**Consent to Share Information.** By submitting this ThermWise application, I authorize Enbridge Gas Company and its agents to release the information I have included in the application to my electric service provider or another program administrator for the purposes of energy efficiency program administration and project quality assurance purposes. I understand and agree that this information may be used to help determine eligibility for available Enbridge Gas Company rebates. I authorize my electric service provider or another program administrator to provide Enbridge Gas Company with information provided to me on any incentive application I may have submitted. I understand and agree that references to Enbridge Gas, electric service provider and other program administrators also includes their authorized agents and program administrators.

**Tax Liability.** Applicant acknowledges that receipt of any rebate or payment pursuant to this application may result in taxable income to the Applicant, even if Applicant does not directly receive a payment. Applicant is solely responsible for payment and reporting with respect to Applicant's taxes. Applicant should consult his or her own tax advisor with respect to the tax treatment of rebates provided pursuant to application. Nothing in this application or these Terms and Conditions is intended to constitute tax advice and cannot be used for the purpose of avoiding penalties under the Internal Revenue Code.

Please allow up to eight weeks for application processing. **To check the status of your application, please visit [www.ThermWise.com](http://www.ThermWise.com) and select "TRACK REBATE". For questions regarding your application, you may call 1-877-932-0610 M-F 8am to 5pm Mountain Time.** Rebates are paid by check in US dollars. Checks will be mailed to qualifying customers within 60 days upon completion of application processing. It is required that you cash the rebate check within 90 days of the issuance date on the check. Excessive submissions constitute fraud and may result in federal prosecution under the U.S. mail fraud statutes (Title 18, USC 1341 and 1342). All submitted materials become property of Enbridge Gas and will NOT be returned.
